		4,750 to 5,240	1046908	1046698
		5,250 to 5,740	1046858	1046638
		5,750 to 7,000	1046918	1046708

#### Notes

- **IMPORTANT:** the beam fastening pocket is not included in the case and must be ordered separately. Consult "specific accessories".
- You can determine right or left barrier version by looking at the barrier from the door side (see drawing above).
- The door usually faces the inside of the property.
